CAMPAIGN AGAINST
SUMMER HUNGER

All Faiths Food Bank is a
lifeline. It helps families.
I wouldn't know what I'd
do without All Faiths
Food Bank.

We are really
struggling but
don't qualify for
food stamps so
the pantry really
helps over the
summer.

Families stated the two main reasons it was harder
to feed their children during the summer were:

Financial stress due to COVID

Less income

96% of those surveyed responded that the pantry made
them feel less stressed about feeding their family.

Through funding provided by United States Department of Agriculture, Sarasota School District Food and Nutrition Services and Desoto Food and Nutrition Services provide hot breakfast and lunch for children through the summer schools and other community sites where children attend.

All Faiths Food Bank provides support to enhance the meal services they provide to children.
