STORIES OF HOPE

"Sometimes it gets tight, especially when you're living paycheck to paycheck. This pantry being here and filling in the gaps is a lifesaver, and my boys get excited when they get to pick out their own food."

- Rebecca, Isaac, 11, Xavier, 9, and Oliver, 6

"The food bank saved my life. My wife and I would be homeless without the help. If we didn't have the money that we saved on food, we wouldn't have been able to pay our mortgage." - Bill

"Thank you for helping me keep my kids well-fed during tough times." - Tom

"It's such a wonderful opportunity to be able to have my daughter grow and be able to achieve her goals and dreams. As a mother, it can be really hard to not be able to fulfill all her wants and needs. I am so grateful for everything we receive from the food pantry." - Christina and Kailani, 5

VOLUNTEER SPOTLIGHT

"Volunteering with the food bank is extremely rewarding. You have that connection to the community and know that you're helping - and I enjoy helping people when they need it most." - Peter
