Did you know, there are millions of people in our own community who are hungry and do not know where their next meal will come from?

Many children, families, seniors, and veterans experience hunger daily, and inflation and cost of living increases have only made things worse for these individuals. Some people are facing hunger for the first time. With your help, we can feed them.

Subject line: Your Support Matters!

Greetings (Name),

Are you wondering how your involvement will change lives in our community? Here are some examples:

- **Stretching dollars further.** All Faiths Food Bank can purchase more nutritious meals per donated dollar, whereas the average consumer can only purchase two cans of green beans with that same dollar.
- **Nutrition and shelf-life.** By placing the purchasing responsibility back into the food bank's hands, less expired merchandise is received, and we can purchase nutritionally balanced meals.
- **Source management.** Purchasing food through select suppliers ensures easier implementation of USDA quality and safety standards. The food is purchased, prepared, and sanitized, then distributed safely.

This is where you come in!
